

ICC

Integrated Care Coordination for Urgent Care

Most often, the best place for a person to receive urgent care is in the community and where possible in their own home.

The **ICC** is your single point of access for **Urgent Care in Staffordshire and Stoke-on-Trent**.

We coordinate access to physical, mental health and social care pathways for registered health and social care professionals.

Contact us for urgent care support for your patients/people.

- Reducing avoidable ambulance dispatch
- Streamlining access to non-Emergency Department pathways
