Dear

FOI/0126/1577

Your request for information under the Freedom of Information Act 2000

Further to your email dated Thursday 15th January 2026 for information under the Freedom of Information Act 2000. We can now confirm that Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. The ICBs response is provided below in [blue](#) text.

[You have requested:](#)

I am looking for some information to be answered under the Freedom of Information Act relating to the [annual assessment of integrated care board performance 2024/25 – summary report](#).

- 1. Please can you provide us with your full assessment report that informed NHS England's [annual assessment of integrated care board performance 2024/25 – summary report](#), published on 17 December?**
- 2. And, if it is publicly available, please can you provide us with a link to that?**

The ICB do not submit an assessment report to NHSE. NHSE review existing documents e.g. the ICB's annual reports and accounts and use their own methodology for the assessment, which is set out here and also includes things such as conversations with system partners.
