Dear

**FOI-0125/1163**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request for information received on 28<sup>th</sup> January 2025. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

- 1. What was the total number of children and young people assessed as eligible for Continuing Healthcare funding for financial years 2023/2024? (Ages 0-18) - 15**
- 2. What is the average hourly cost paid by the Integrated Care Board to a provider for a complex package of care (adults and children combined)? Data from held April 2024 onwards is fine. – Unable to provide as not all packages are broken down by hourly rate. We could provide an average for the current caseload that do have an hourly rate but it would not be an accurate or fair reflection as would not include anyone who's package is broken down by daily, weekly or monthly rates only.**
- 3. Can you please provide a name and contact details for your Continuing Care lead/Head of Service? – Elaine Churchman & Marina Lewis, [mlcsu.phchos@nhs.net](mailto:mlcsu.phchos@nhs.net)**
- 4. How many packages involve the commissioning/funding of a nurse for 24 hours a day? Unable to provide as level of detail not held.**
- 5. Please provide a list of providers providing the above nurse led care within packages. As above.**
- 6. For Learning Disabilities and Autism, what is the correct phone number or email address for the team who commission packages of care for Adults or Children/Young persons living with Learning Disability, Autism and/or Physical Disabilities? - 01782 656 049, [mlcsu.patientexperience@nhs.net](mailto:mlcsu.patientexperience@nhs.net)**
