Dear

**FOI/1125/1505**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request for information under the Freedom of Information Act 2000, received on the 12<sup>th</sup> November 2025. We can now confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. Please note the ICBs responses in [blue text](#).

Please provide two sets of waiting list data on **paediatric elective care (RTT)** (patients aged 0–17) for your Trust, disaggregated by:

1. Ethnicity (using NHS standard ethnicity categories), and
2. Indices of Multiple Deprivation (IMD) deciles or quintiles (based on patient postcode or other available proxy).

For each combination of ethnicity and IMD group, please provide the number of patients waiting in each of the following time bands:

1. Up to 18 weeks
2. 18 to 26 weeks
3. 26 to 40 weeks
4. 40 to 52 weeks
5. 52 weeks and over

Please provide this data monthly, from **September 2021 to September 2025** (or the most recent available month), with each month reported separately.

If providing both ethnicity and IMD waiting lists would exceed the cost, please prioritise providing just the ethnicity breakdown.

Please provide the data in spreadsheet format (e.g., Excel or CSV).

If it is not possible to provide both ethnicity and IMD waiting lists requested due to the information exceeding the cost of compliance limits identified in Section 12, please prioritise providing just the ethnicity breakdown

[Please see the attached spreadsheet as requested.](#)

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.
