You have requested:

I am writing to you under the Freedom of Information Act 2000 to request the following information from your ICB. The questions relate to the community dermatology services your ICB commissions. Please could you provide me with an answer to the following:

- 1. Where activity-based tariffs are in place for community dermatology services, please could you provide a list of these tariffs (e.g. price for First Outpatient Appointment, price for Follow-up etc)?**

[The ICB can confirm that there are no Activity based individual tariffs for our Community Dermatology Service. The whole activity/procedure and follow up activity is a block amount.](#)

- 2. Would you consider applications to be an additional community dermatology provider on an Any Qualified Provider basis? If so, please would you share any guidance or forms that would need to be completed by an applicant?**

[Application for the DDQ process is available on our website if any provider wishes to apply to be accredited by the ICB to deliver services.](#)
