Dear

FOI-1124-1060

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on Friday 8th November 2024. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

I am writing to you under the Freedom of Information Act 2000 to request the following information from your Trust. Please may you provide answers to the following:

1. Population and budget allocation

- ***Please provide the current estimated number of people within your ICB diagnosed with each of the following long-term conditions:***
- ***Obesity***
- ***Diabetes***
- ***Chronic kidney disease***
- ***Cardiovascular disease***
- ***Liver disease.***

We have provided the link to the latest QOF disease register, which is available in the public domain; [QOF 2023-24 | NHS Digital](#).

	SSoT ICB – 2023-24	
QOF Domian	Disease Register Size	Prevalence %
Obesity	137,277	14.3%
Diabetes mellitus	82,395	8.5%
Chronic kidney disease	44,646	4.6%
Secondary prevention of coronary heart disease	41,106	3.4%
Peripheral arterial disease	7,395	0.6%

Unfortunately, we are unable to provide information relating to Liver disease as there is no QOF register for this condition.

2. *Integrated care services*

- ***Please provide details of any services supporting integrated care pathways for multiple long-term conditions, specifically targeting obesity, diabetes, chronic kidney disease, cardiovascular disease, and liver disease.***

The ICB does not hold this information. To obtain this please contact Midlands Partnership Foundation Trust; foi@mpft.nhs.uk

3. *Leadership and partnerships*

- ***Who is the lead for long-term conditions in your ICB? Who is the clinical lead? Please provide a list of ICB leadership roles focused on supporting people with long-term conditions***

The ICB has the following roles within the End of Life, Long Term Conditions and Frailty Portfolio focused on supporting long term conditions:

- Head of Portfolio
- Transformation Lead
- Portfolio Manager

- ***Please provide details of any partnerships with pharmaceutical companies or independent providers related to the management of long-term conditions from 2020 onwards, including the purpose of each partnership and its outcomes if available.***

The ICB has not worked on any projects with the pharmaceutical industry on long term conditions.

4. *Strategic framework*

- ***Does your ICB have a strategy for supporting people with multiple long-term conditions? Please provide a copy and any supporting strategic documents***

ICB plans are available on the ICB website [Our publications and policies - Staffordshire and Stoke-on-Trent](#)

Please provide the information in an email, Excel, or Word document, whichever is most convenient. If it is not possible to provide the requested information due to cost compliance limits under Section 12 of the Act, please advise on how I might refine this request under Section 16.

To request an internal review

You can request an internal review by contacting the Staffordshire and Stoke-on-Trent ICB FOI team by emailing; staffsstokeFOI@staffsstoke.icb.nhs.uk or by post to the address at the top of this letter.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner's Office (ICO) for a decision. Generally, the ICO cannot make a decision unless you have exhausted the Staffordshire and Stoke-on-Trent Integrated Care Board's FOI complaints procedure.

The ICO can be contacted at:
