Dear

**FOI-11-601**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request for information received on the 10<sup>th</sup> November 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

**I would like to request the following records under the FOI act.**

<b>Year</b>	<b>Quarter</b>	<b>Number</b>
2023	January – March	3

- **The total number of contracts for such services that have been extended over the same period?**

The ICB do not hold this information centrally. It would take an exercise to review each current and retrospective contract individually.

- **The total number of such contracts that are due to be commissioned in the second two quarters of 2023/2024 (i.e. September to December 2023 and January to March 2024) as well as the four quarters of 2024-2025?**

Contract intentions form part off the ongoing commissioning / contract reviews. We would not be able to predict the outputs of these and subsequently we do not hold this information.

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.

### **To request an internal review**

You can request an internal review by contacting the Staffordshire and Stoke-on-Trent Integrated Care Board FOI team by emailing the team at [StaffsStokeFOI@staffsstoke.icb.nhs.uk](mailto:StaffsStokeFOI@staffsstoke.icb.nhs.uk) or by post to the address at the top of this letter.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.
