Dear Sir/Madam

FOI FOI-07-056:

Your request for information under the Freedom of Information Act 2000

Thank you for your request dated the 20th July 2022. We can confirm that Staffordshire and Stoke-on-Trent Integrated Care Board do hold the information that you have requested. Please see our responses in blue below / attached:

I would like to be informed of all the contracts between your Integrated Care Board and all non-NHS providers for health, mental health, children's services, and social care services in your ICS area, including the start and end dates of the contracts. I realise that some of this information will be held by the councils within your ICB area, so I need only the part of that information that you hold.

This information should include contracts that have been inherited by the ICB from the previous CCG(s) that had commissioning duties in the area until the 1st of July. And for the purposes of this FOI request, "NHS providers" are NHS Trusts and Foundation Trusts, which means that by non-NHS providers I mean private companies, charities, social enterprises, etc.

Please find attached completed spreadsheet with information requested.
