**Your request for information under the Freedom of Information Act 2000**

Thank you for your email received 22<sup>nd</sup> October 2025 for information under the Freedom of Information Act 2000. We can now confirm that Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. The ICBs response is provided below in [blue](#) text.

You have requested:

**As part of some work on the Framework and G-Cloud 15, we need to understand what frameworks our clients and external organisations are using.**

**Therefore, I have been asked to request the following:**

- 1. Framework Name and Reference: To provide the names and reference numbers of all procurement frameworks the organisation (Staffordshire ICB) is currently using**

[The ICB only has a definitive list of healthcare procurements. There is one known procurement that has a health element that has been awarded via a Framework agreement. The details of this are outlined below.](#)

[The ICB does not hold a central database for non-healthcare procurements. The ICBs ambition is to incorporate all procurements into one source. There are no timescales on the latter due to conflicting priorities.](#)

[ESPO 985\\_19 Occupational Health Services \(985\\_19 Occupational Health Services - Contracts Finder\)](#)

- 2. Awarding Body: For each framework, please indicate the managing or awarding body, for eg, NHS, SBS**

[NHS \(Staffordshire and Stoke on Trent ICB, on behalf of Staffordshire and Stoke on Trent Integrated Care System\)](#)

- 3. Contract Period: To provide the start and end dates for each framework agreement and any planned extensions**

[Contract Period 1st April 2023 – 31st March 2027](#)

**4. Scope of Service: To specify the goods, services, or categories covered by each framework.**
