Dear

FOI/0126/1600

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information under the Freedom of Information Act 2000, received on the 29 January 2026. We can now confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. Please note the ICBs responses in [blue text](#).

[You have requested:](#)

Under the Freedom of Information Act 2000, I am requesting information regarding the primary care premises within your area.

Specifically, I am looking for data concerning GP surgeries that are currently operating, or have historically operated, in buildings originally constructed or designated for residential use. Please provide the following:

A list of all GP practice main and branch surgery addresses within the ICB's jurisdiction.

[We are exempting this information under Section 21 "information reasonably accessible by other means". The information is available on our website: https://staffsstokeics.org.uk/your-health-and-care/your-primary-care/practices-in-staffordshire/](https://staffsstokeics.org.uk/your-health-and-care/your-primary-care/practices-in-staffordshire/)

For each address, please state the current Planning Use Class as held in your primary care estates database (e.g., Class E, or former Class D1).

Identification of "Residential Conversions": Please identify which of these premises were converted from Use Class C3 (Dwellings) to medical use.

Planning Reference Data: If held, please provide the local authority planning application reference number associated with the "Change of Use" for these specific sites.

Ownership Status: Please indicate whether these "converted" premises are GP-owned (under Notional Rent arrangements) or leased from a third-party provider/NHS Property Services.

If providing the full list exceeds the cost limit, please prioritize the list of surgeries identified as having a historical or current "residential" planning origin.

I would prefer to receive this information in an electronic format.

The ICB does hold or have access to the above information, we would suggest that you submit your request to Staffordshire County Council and City of Stoke-on-Trent.

Staffordshire County Council - accessinformation@staffordshire.gov.uk

City of Stoke-on-Trent - foi@stoke.gov.uk
