Please see our responses in blue below:

Under the Freedom of Information Act 2000, I would like to request the following information:

In October 2023, the Department of Health and Social Care allocated £30 million in government funding for innovative medical technology, which is designed to help ease pressures on the NHS this winter.

The Staffordshire and Stoke on Trent Integrated Care Board (SST ICB) submitted a bid for a share of this £30 million funding to roll out innovative technology. What is the value (a share of the £30m) submitted/allocated to the SST ICB?

Please be advised that we have been successful in receiving £697,440.00 HTAAF funds out of an allocation of £700k, which is being distributed across six existing technology investments to support scaling and further adoption across the ICS.

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.

To request an internal review

You can request an internal review by contacting the Staffordshire and Stoke-on-Trent Integrated Care Board FOI team by emailing the team at StaffsStokeFOI@staffsstoke.icb.nhs.uk or by post to the address at the top of this letter.
