Dear

**FOI-02-266**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request dated the 24<sup>th</sup> February 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board does hold the information that you have requested. Please see our responses in blue below:

**Could I please make an FOI into funding released to date for sustainability and transformation partnership capital project schemes?**

**Can the ICB/ICS please fill in the rows on the spreadsheet provided that relate to its local sustainability transformation partnership (listed in first column) capital schemes.**

Please be advised that the ICB / former Clinical Commissioning Groups did not progress any capital schemes through the Sustainability and Transformation Partnership.

Our ICS partners did progress sustainability projects for Greener NHS using capital money from national funding pots. We would therefore suggest that you may wish to send your request to our NHS Trust partners for their individual perspectives regarding sustainability projects. Contact details as follows:
