Dear

FOI-07-462

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on the 17th July 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

Please see my FOI below;

For the calendar years 2017, 2018, 2019, 2020, 2021 and 2022, I would like to be provided with details on accepted donations, gifts, grants, sponsorships, scholarships and funding (including research funding and teaching funding, as well as funding for any organisation staff) that have come from oil, gas and mining companies. I note some of the above may not apply to your organisation so please respond to those above which do apply.

For each, I would like the following information:

- 1. The name of the oil/gas/mining company that gave the donation, gift, grant, sponsorship, scholarship or funding**
- 2. The start and end date of the donation, gift, grant, sponsorship, scholarship or funding if available**
- 3. The sum and description of the accepted donation, gift, grant, sponsorship, scholarship and funding**
- 4. A description of what the donation, gift, grant, sponsorship, scholarship and funding was used for**

If your records are held in such a way where it is difficult to search by sector (e.g. oil/gas/mining), then I am happy to narrow the request to the following companies:

- Petrobras**
- Repsol**

- National Iranian Oil Co.
- Pemex
- Sonatrach
- Jiangxi Copper
- Vale
- Coal India
- Aluminium Corporation of China
- Zijin Mining Group
- Tata Steel
- Hindalco
- CMOC
- Freeport-McMoRan
- Cleveland Cliffs
- United States Steel
- Nornickel

The ICB has not accepted any donations, gifts, grants, sponsorship and funding (including research funding, as well as funding for any organisation staff) that have come from oil, gas and mining companies.
