Dear

**FOI-0924-997**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request for information received on Monday 16<sup>th</sup> September 2024 and 17<sup>th</sup> September 2024. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

**I am writing to you under the Freedom of Information Act 2000 to request a detailed breakdown of the hospital beds within your jurisdiction. Specifically, I would like the following information in an Excel format (1 row per service):**

**A list of all hospitals registered with the Care Quality Commission (CQC) within your ICB area. My preference is for this to be provided using the same "Location Name" and "Location ID" as specified by the CQC, so that I can accurately identify each hospital. I already have access to the CQC data, but I would appreciate it if you could present it in this consistent format.**

**For each hospital, please provide:**

- 1. The total number of beds.**
- 2. A breakdown of total number of beds by bed types, as coded by the national definitions listed by the NHS here:**

**<https://digital.nhs.uk/data-and-information/data-collections-and-data-sets/data-collections/assuring-transformation/hospital-bed-types>**

**I also require a breakdown if held of all bed types in the hospital.**

**We can confirm that the ICB does not hold this information. To obtain this you would need to submit your request directly to the individual Trusts. Contact details below:**
