Dear

FOI/0625/1306

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on 5th June 2025. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. Please note the ICBs responses in blue.

I am seeking confirmation of the individuals currently holding the following roles within your Integrated Care Board:

1. Chief Financial Officer
2. Director/Head of Planned Care
3. Director/Head of Procurement

Please note the following:

- If exact job titles differ from those above but the responsibilities broadly match, please include those individuals and specify their actual job title.
- If this information is already publicly available - e.g. listed on your website, published in an organogram or a leadership directory - please point me directly to the relevant page or document.
- If any of these roles are currently vacant, or held on an interim, associate, or deputy basis, please include the relevant individual(s) and note their title accordingly.
- If available, I would also appreciate email addresses for the individuals listed, although I appreciate this may be subject to exemptions under the Act.

We employ a CFO and a Chief Transformation Officer & Chief Delivery Officer to fulfil these roles. Further details are via a Section 21 exemption to the ICB's website (where generic contact details for making contact with the ICB on these posts exist; along with "Meet the Board" profiles of the current postholders).

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.
