Dear

FOI-02-244

Your request for information under the Freedom of Information Act 2000

Thank you for your request dated the 8th February 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board does hold the information that you have requested. Please see our responses in blue below:

Could you please provide information about the Integrated Care Board's current IVF Policy, and if there is no current policy whether any of the former CCG policies are still applied, and when a new policy to cover the region will be made available to the public.

The Staffordshire and Stoke-on-Trent Integrated Care Board is in the process of aligning the historic CCGs' IVF policies. In the absence of an aligned interim policy, we are currently working to three separate policies. The policies are available on our website (links below):

We will be engaging with patients and relevant stakeholders on the draft interim policy, and we plan to hold a number of engagement sessions in March (dates to be confirmed and publicised shortly).

Further information on our engagement work to date can be found at [Clinical Policy Alignment \(formerly Difficult Decisions\) - Staffordshire and Stoke-on-Trent, Integrated Care Board \(icb.nhs.uk\)](https://www.icb.nhs.uk/clinical-policy-alignment)
