I am writing to request information under the Freedom of Information Act. I would be grateful if you could acknowledge receipt of this email and I look forward to your full response within 20 working days, as stipulated by the act.

FOI Request:

1. Does your ICS have:

- **Digital Strategy**

Please find enclosed the ICB Digital Roadmap Strategy.

Yes, (our one pager which summarises the 11 initiatives we as an ICB focus our digital investments and delivery on over the next three years).

- **Data strategy**

No.

- **Cyber security plan**

As per the Digital Strategy Cyber Security and Support is a core initiative.

2. Do you have an ICS-wide strategy for citizen engagement and citizen-facing digital services?

Citizen engagement is an ICS wide approach and we have a number of organisations / governance structures that enables this for specific digital investments.

For more general engagement we have the Working with People and Communities Strategy, which sets out our approach across Staffordshire and Stoke-on-Trent, working collaboratively with our partners. Our approach to engagement is also guided by our People and Communities Assembly, which advises on how to engage with different communities, particularly those who are not usually engaged through traditional methods.

3. Do you have an ICS digital inclusion strategy?

No.

4. Can you please state the number of – and type of IT systems, and the supplier - procured by the ICB on behalf of all relevant NHS providers in the ICS for 2023-24 (both completed and/or planned)? For example: 3 procurements for: bed management system, care traffic control system, waiting list validation system.

OHC our Shared Care Record solution is procured by the ICB.

For questions 1, 2 and 3, if the answers are “yes” – please could you attach the strategies/plans or provide links to them if they are publicly available.
