An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

I would like to find the number of pregnancies in the Lichfield District (local authority area) in the most recent year of reporting. Most other data for the same report is for the year 2021 so this year preferable but a direct match in years is not essential. I am also open to data on the pregnancy rate, number of conceptions, conception rate, maternity rate etc., whichever is easiest / available.

Please be advised that the Staffordshire and Stoke-on-Trent ICB does not hold this information. Your request should be sent to Staffordshire County Council (Public Health Team). Contact details as below:
