Dear

**FOI FOI-09-102:
Your request for information under the Freedom of Information Act 2000**

Thank you for your request dated the 6th September 2022. We can confirm that Staffordshire and Stoke-on-Trent Integrated Care Board does hold the information that you have requested. Please see our responses in blue below:

NICE have recently updated the guidance on the use of Continuous Glucose Monitoring (CGM) in Type 1 adults, children & young people and Type 2 adults. (NG17, NG18 & NG28)

This new guidance recommends more widespread use of CGM devices.

Please can you tell me:

- **What plans the CCG/ ICB have to implement this updated guidance in to a policy and what timescales you are working to?**
- **What are the steps/ procedures are involved in producing the new policy from start to finish?**
- **If you are not willing to implement the NICE recommendations can you provide reasons why this would be?**
- **Please see the link to press release from NHS England dated August 2022. When will this product be available to T1 patients in Staffs & Stoke and surrounding areas now part of the ICB? [NHS England » NHS to roll out life-changing glucose monitors to all Type 1 diabetes patients](#)**
