We are extremely keen to discuss the Transforming Care agenda with NHS ICB partners – especially how we can support people to transition from long-stay hospital and campus-based settings.

We would therefore be grateful if you could tell us:

- 1. Who within your NHS ICB would be best placed to directly talk to about commissioning support for people with learning disabilities, mental health and complex needs?**
- 2. If possible, please can you also provide their contact details.**

We look forward to hearing from you and for the opportunity to discuss in more detail how we can support the Transforming Care agenda.

Please be advised that the Staffordshire and Stoke-on-Trent ICB has devolved this function to North Staffordshire Combined Healthcare NHS Trust and Midlands and Lancashire Commissioning Support Unit. We have detailed below their contact details to enable you to direct your request to them:
