Your request for information under the Freedom of Information Act 2000

Thank you for your request for information under the Freedom of Information Act 2000, received on the 2 September 2025. We can now confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. Please note the ICBs responses in blue.

- 1) What cross-system learning was identified through PSIRF that relates to the care of learning disabled and/or autistic people in 2023-24?
- 2) What cross-system learning was identified through PSIRF that relates to the care of learning disabled and/or autistic people in 2024-25?

We do not have the providers reports they are held with the organisations. we discuss themes and trends only so cannot be that specific. PSIRF changed the way that ICBs had oversight and we do not sign of any investigation reports the question needs to be asked of the providers as they hold the reports.

- 3) A link to/copy of your local ICB LEDER (Learning from Lives and Deaths: People with a Learning Disability and/or Autistic People) Report for 2023/24 please. - staffsstoke.icb.nhs.uk/your-nhs-integrated-care-board/our-publications/learning-disabilities-autism-and-downs-syndrome/leder-annual-report-23-24-v-1-0/?layout=file
