I am writing to you under the Freedom of Information Act 2000 to request the following information from your ICB. Please may you provide me with an answer to the following:

I am enquiring about targets related to Children and Young People's (CYP) mental health services.

- 1. What was the ICB's target for the number of CYP accessing support through NHS funded community mental health services in 2023/24, as aligned with the MHS95 metric: Number of CYP aged under 18 supported through NHS funded mental health with at least one contact (12 month rolling)?**

17,648

- 2. Was this achieved? Please provide the total number of CYP accessing support through NHS funded community mental health services in 2023/24 as aligned with the MHS95 metric above.**

14,360

3. Has an indicative target for CYP accessing support through NHS funded community mental health services (MHS95 or alternative) been set for 2024/25? Please could you advise on what this target is?

17,273
