Thank you for your request for information received on the 9th September 2024. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

As an Integrated Care System:

1. Do you have a dedicated Dementia Strategy Lead in post?

Dementia sits within the Mental Health Portfolio within the ICB.

2. Do you have a current Dementia Strategy?

- a) **If yes, please could you provide a copy or a link to a copy of your current dementia strategy.**

The ICB has joint dementia strategies with both Local Authorities, Staffordshire County Council and Stoke-on-Trent City Council. These are currently under review and will be made public when they have been through Local Authority and ICB governance processes.

3. Do you have a dementia specific steering group?

- a) **If so, please could you provide a contact email address.**

Yes, there are dementia steering groups in existence. These are multi-agency across the Integrated Care System, the mental health portfolio oversees these.

As the membership is system-wide we are unable to share individual email addresses.
