Dear

FOI/0425/1261

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on 11th April 2025. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website. Please note the ICBs responses in blue.

Under the Freedom of Information Act 2000, I would like to request the following information regarding adult neurological and mental health services. Please provide answers on the attached and accompanying Excel spreadsheet.

Please note that the responses to all the questions below are on the attached spreadsheet.

- 1. Please provide the total number of adults (aged 18 to 64) with a primary support need of mental-ill health funded by the ICB and receiving long-term nursing care in a care home.**

Please provide the total number in placement at 31 March of each year from 2023 to 2025, and projected at 31 March 2026.

- 2. Please provide the total number of adults (aged 18 to 64) with a primary support need of mental-ill health funded by the ICB and receiving long-term nursing care in a care home.**

Please provide the total number of new placements made during the financial year to 31 March 2025.

- 3. Please provide a list of providers with which the ICB is funding adults (aged 18 to 64) with a primary support need of mental-ill health receiving long-term nursing care in a care home.**

Please provide the full list of providers at 31 March 2025.

- 4. Please provide a list of the five providers with which the ICB is funding the largest number of adults (aged 18 to 64) with a primary support need of mental-ill health receiving long-term nursing care in a care home.**

For each of the top five providers by volume of service users, please provide the number of service users funded during March 2025 and the corresponding expenditure by the ICB during the month of March 2025.

5. **Please provide a list of the five providers with which the ICB is spending the most with on placements for adults (aged 18 to 64) with a primary support need of mental-ill health receiving long-term nursing care in a care home.**
For each of the top five providers by expenditure on placements, please provide the number of service users funded during March 2025 and the corresponding expenditure by the ICB during the month of March 2025.
6. **Please provide the number of adults (aged 18 to 64) with a primary support need of mental-ill health funded by the ICB and receiving long-term care in a nursing care home setting with fees per week of a) less than £1,000, b) £1,000 to £3,000, and c) more than £3,000.**
Please provide the number of adults at 31 March 2025.
7. **Please provide the total number of adults (aged 18 to 64) with a primary support need of neurological condition funded by the ICB and receiving long-term nursing care in a care home.**
Please provide the total number in placement at 31 March of each year from 2023 to 2025, and projected at 31 March 2026.
8. **Please provide the total number of adults (aged 18 to 64) with a primary support need of neurological condition funded by the ICB and receiving long-term nursing care in a care home.**
Please provide the total number of new placements made during the financial year to 31 March 2025.
9. **Please provide a list of providers with which the ICB is funding adults (aged 18 to 64) with a primary support need of neurological condition receiving long-term nursing care in a care home.**
Please provide the full list of providers at 31 March 2025.
10. **Please provide a list of the five providers with which the ICB is funding the largest number of adults (aged 18 to 64) with a primary support need of neurological condition receiving long-term nursing care in a care home.**
For each of the top five providers by volume of service users, please provide the number of service users funded during March 2025 and the corresponding expenditure by the ICB during the month of March 2025.
11. **Please provide a list of the five providers with which the ICB is spending the most with on placements for adults (aged 18 to 64) with a primary support need of neurological condition receiving long-term nursing care in a care home.**
For each of the top five providers by expenditure on placements, please provide the number of service users funded during March 2025 and the corresponding expenditure by the ICB during the month of March 2025.
12. **Please provide the number of adults (aged 18 to 64) with a primary support need of neurological condition funded by the ICB and receiving long-term care in a nursing care home setting with fees per week of a) less than £1,000, b) £1,000 to £3,000, and c) more than £3,000.**
Please provide the number of adults at 31 March 2025.

For the avoidance of doubt, when referring to the terms 'neurological' and 'neurological care need', please include; brain injury (including acquired brain injury and traumatic brain injury), spinal injury, neuro-disabilities (including but not limited to Parkinson's disease, early-onset dementia, multiple sclerosis, motor neurone disease, Huntington's

disease, cerebral palsy and epilepsy), stroke, neurobehavioural rehabilitation and cognitive rehabilitation. This list is meant as a guide and is by no means exhaustive. Where 'neurological' or 'neurological care need' is not recorded, please provide figures for 'physical support: access & mobility only' and 'physical support: personal care support'.

For the avoidance of doubt, when referring to the term 'mental ill-health', please include; anxiety, depression, personality disorder, severe affective disorders, schizophrenia, and mental ill-health that causes challenging behaviour, all of which are to such a degree that the person experiences significant impairment and as such is unable to care for themselves independently. This list is meant as a guide and is by no means exhaustive.

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.

To request an internal review

You can request an internal review by contacting the Staffordshire and Stoke-on-Trent ICB FOI team by emailing; staffsstokeFOI@staffsstoke.icb.nhs.uk or by post to the address at the top of this letter within 40 working days of the initial response.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner's Office (ICO) for a decision. Generally, the ICO cannot make a decision unless you have exhausted the Staffordshire and Stoke-on-Trent Integrated Care Board's FOI complaints procedure.

The ICO can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
