I am writing to you today to request information about the harmonisation of varicose veins policies workstream. Specifically, I would like to know who is responsible for aligning the CCG policies into 1 ICB policy, what their contact address and email is, and the current status of the workstream please.

I am interested in this information so that the correct person can receive a letter via email from the Vascular and Venous All- Party Parliamentary group with regards to a more consistent approach to commissioning policies.

Please be advised that the process of aligning the Policies is complete within Staffordshire and Stoke-on-Trent, therefore there is not an individual lead. However, the Individual Funding Team or Patient Services can support queries depending on where they originate from. Contact details as below:
