Dear

FOI/12/177

Your request for information under the Freedom of Information Act 2000

Thank you for your request dated the 2nd December 2022. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the information that you have requested. Please see our responses in blue below attached:

My sincerest apologies for not articulating my request very well the first time around. I have attempted to make the request again and have attached a spreadsheet with headings in an attempt to clarify aspects.

***I am interested in receiving the information regarding:
- Additional Roles Expenditure, for each PCN within the ICB, for the financial year 2021/22 and the current year 2022/23 up to the last month.***

I hope this makes more sense and clarifies both the timings but also the nature of specific details of the request.

Many thanks and again apologies for the poorly articulated request in the first instance!

We apologise that our first response did not cover all that you had asked for and we hope that the attached spreadsheet, now provides the information that you have requested.
