Dear

**FOI-01-225**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request dated the 18<sup>th</sup> January 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board does hold the information that you have requested. Please see our responses in blue below:

**If available, please list all the individual GP practices within your ICB, including the the provider / operator of the practice (e.g. Lakeside, Operose etc), the patient list sizes and the provider / operator of the practice?**

**We have attempted to do this using both the GP data the NHS provides and the CQC, and neither provide this information fully as some GP practice that are owned by certain large groups are not listed as being run by these operators, therefore that ICB's would have the most accurate information.**

Please find attached completed spreadsheet providing the information requested.

**Right of Appeal**

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.
