Dear

**FOI-03-295**

**Your request for information under the Freedom of Information Act 2000**

Thank you for your request dated the 3<sup>rd</sup> March 2023. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board does not hold the information that you have requested. Please see our responses in blue below:

**Has your ICB split urgent and emergency care data by indices of multiple deprivation and ethnicity, as requested by NHS England here:**  
<https://www.england.nhs.uk/wp-content/uploads/2021/09/Urgent-and-emergency-care-recovery-10-point-action-plan.pdf>

**Please could you provide this data, back to the start of 2019/20 or as far back as records allow.**

**What assessment has the ICB made of inequalities in UEC data according to deprivation or ethnicity? And what action has been taken as a result?**

NHS England advised systems to cut UEC data by indices of multiple deprivation and ethnicity but gave no clear date by which they recommended this should be done. We are working on this issue but there are some data quality issues that makes it problematic in part. We will continue to work to improve our data quality in order that we can do this in the future.

**Right of Appeal**
