Dear

FOI-0125/1154

Your request for information under the Freedom of Information Act 2000

Thank you for your request for information received on Tuesday 21st January 2025. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

I would like the monthly situation report data on trust virtual ward bed numbers and occupancy rates, compiled by the ICBs to send on to NHSE. Please send me the monthly data for each month from July 2023 onwards.

To be explicit, I am requesting the trust level data. NHS England already publishes the ICB-level data each month, which is in the public domain. I am not requesting the ICB aggregated data, but the data submitted by constituent trusts.

The ICB does not hold this information, in order to obtain this you will need to submit your request to University Hospitals of North Midlands (UHNM); foi@uhnm.nhs.uk.

Should you require any further information or clarification regarding this response please do not hesitate to contact us. If you are dissatisfied with the response, you are entitled to request an internal review which should be formally requested in writing and must be within two calendar months from the date this response was issued.

To request an internal review

You can request an internal review by contacting the Staffordshire and Stoke-on-Trent ICB FOI team by emailing; staffsstokeFOI@staffsstoke.icb.nhs.uk or by post to the address at the top of this letter within 40 working days of the initial response.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner's Office (ICO) for a decision. Generally, the ICO cannot make a decision unless you have exhausted the Staffordshire and Stoke-on-Trent Integrated Care Board's FOI complaints procedure.
