Thank you for your request for information received on the 22nd August 2024. We can confirm that the Staffordshire and Stoke-on-Trent Integrated Care Board can provide the following information.

An anonymised copy of this response will be made publicly available on the ICB website.

Please see our responses in blue below:

I am writing to you under the freedom of information act to request the following information:

1. Which NHS organisations or Local Authorities within your region are currently providing Child Obesity Clinics?

NHS England has commissioned a pilot Complications of Excess Weight (CEW) clinic for children that is delivered at the University Hospitals of North Midlands NHS Trust (UHNM), Royal Stoke site.

There are no NHS child obesity clinics provided via Staffordshire and Stoke-on-Trent ICB.

Unfortunately, the ICB does not hold information relating to Local Authority provided services.

2. Does the region have plans to introduce new Child Obesity Clinics?

a) If so, please provide an estimated timescale.

b) If so, in which NHS organisations or Local Authorities will these Clinics reside?

The NHS currently has no plans to introduce child obesity clinics.

3. The name of the person within the ICS, NHS organisation or Local Authority who is responsible for managing Child Obesity Clinics?

a) Please provide a contact email address if possible.

The ICB does not provide nor is it responsible for the management of child obesity clinics.

Should you require any further information or clarification regarding this response please do not hesitate to contact us.
