

Medicines Optimisation Prescribing Pharmaceutical Rebates schemes

Medication choice is clinically led by the prescribing clinician on an individual patient basis. NHS Staffordshire and Stoke-on-Trent Integrated Care Board (ICB) do promote the medicines included in the prescribing rebates schemes on prescribing software where relevant, as a reminder to clinicians of formulary options.

Prescribing formulary choices can be found:

[Staffordshire and Stoke on Trent ICS Formulary](#)

<u>Pharmaceutical Company</u>	<u>Products Included</u>	<u>Date agreement signed by the ICB</u>	<u>Start date</u>	<u>End date</u>
