

Some people are now eligible for another COVID-19 vaccination to top up their protection:

You are eligible if you are:

-  **65 or over** 
-  **Pregnant** 
-  **Have a weakened immune system** 
-  **Are 12 and over and a household contact of someone with a weakened immune system** 
-  **Are 16 and over and a carer (including staff in care homes for older adults)** 
-  **A frontline health or social care worker**

Top up your protection

**Get your winter vaccinations as soon as possible
- your best protection against winter viruses.**

**Book your appointment at www.nhs.uk
or by calling 119**
